

Introducing the AL-KO PROSAFE Wheel Clamp: Professional Theft Prevention for Caravans and Trailers

Protect your caravan or trailer from theft with the [AL-KO PROSAFE Wheel Clamp](#), a new standard in [vehicle security](#) from AL-KO Vehicle Technology. Say goodbye to sleepless nights worrying about your property's safety, because the AL-KO PROSAFE has got you covered.

Designed for a range of vehicles, this wheel clamp fits 13- to 17-inch wheels with standard steel or aluminium rims. It's engineered to be extremely durable, crafted from a unique multi-layered mix of robust materials. The bold warning color sends a clear message to would-be thieves: there's nothing to gain here.

[The AL-KO PROSAFE doesn't just look tough](#) – it is tough. Its cylinder lock features an anti-drill design, ensuring that forced entry attempts are thwarted. Yet despite its complex construction, this wheel clamp is simple to use. A special wheel bolt is fitted once as part of the initial installation, and the distance is set using the adjustment bolt supplied. Once configured, securing your caravan or trailer is as easy as sliding the locking bar through the wheel, fitting the wheel claw and locking it with the key. It's that simple.

Moreover, the AL-KO PROSAFE is designed with your vehicle's appearance in mind. The clamp includes scratch and touch protection, ensuring your rims remain in pristine condition. And when you're done, you can easily store the clamp in its practical carrying case, making it perfect for travel.

Available from July 2024, the [AL-KO PROSAFE Wheel Clamp](#) is your ultimate security solution for caravans and trailers. Don't let thieves ruin your holiday or steal your peace of mind – trust AL-KO to keep you secure.
